**6TH ANNUAL TEXT FREE TEXAS SCHOLARSHIP CONTEST AVAILABLE TO TEEN DRIVERS**

Abraham Watkins is sponsoring the 6th Annual Text Free Texas Scholarship Contest for local high school students who pledge not to text while driving. To coincide with Distracted Driving Awareness Month in April, our law firm invites driving-age students from four Houston high schools to participate in our contest by submitting pledges to not text and drive. This year our firm extended the scholarship opportunity to Challenge Early College High School, Furr High School, Victory Prep Academy South, and Worthing High School. The firm's attorneys will review all pledges at the end of the month, and the student who writes the best pledge from each high school will receive a \$250 scholarship.

The attorneys of Abraham Watkins have seen first-hand the devastating effects of distracted driving. As a result, the firm created the annual Text Free Texas Scholarship Contest to raise awareness of the dangers of texting while driving, especially in young drivers. Every day in the United States, approximately 9 people are killed and 1,000 are injured in accidents involving distracted driving. [Learn More](#)

## FIRM ASSOCIATE ELECTED TO HYL A BOARD OF DIRECTORS

Abraham Watkins is proud to announce that firm attorney Alvin Adjei has been elected to the Houston Young Lawyers Association Board of Directors. Since last year, Mr. Adjei has served as a Co-Chair of HYL A's Young Lawyers in Schools Committee, where he has led and organized "Know Your Rights" presentations. He has presented at multiple Houston high schools and the Covenant House homeless shelter, providing information on the legal profession and providing a common sense approach to having a positive interaction with law enforcement. Mr. Adjei received both his undergraduate and law degrees from the University of Notre Dame. Prior to joining the firm, he was a prosecutor at the Harris County District Attorney's Office. His current practice at Abraham Watkins focuses on representing individuals who have been injured as a result of negligence in premises liability accidents, automobile accidents, and other accidents.

## ABRAHAM WATKINS HABITAT FOR HUMANITY BUILD

Thank you to our attorneys and staff members who dedicated their Saturday to building the Houston Bar Association's 21st Habitat for Humanity House! Firm Partner Benny Agosto, Jr. served as the firm's Build Captain for the third consecutive year and was responsible for recruiting volunteers and serving as that day's point of contact. Together with thousands of volunteers and sponsors, like the Houston Bar Association, Houston Habitat for Humanity is able to build homes for low-income Houstonians. Our firm is proud to be a part of such an important community project every year.

## THREE FIRM ASSOCIATES RECOGNIZED ON TEXAS RISING STARS LIST

Congratulations to firm attorneys Brian Humphrey, Kelly Woods, and Alvin Adjei for their selection to the Texas Rising Stars list for 2018. This marks Mr. Humphrey's third consecutive year and Ms. Woods's and Mr. Adjei's first year to be named to the Texas Rising Stars list, which appears annually in the Texas Super Lawyers and Texas Monthly magazines.

All attorneys selected to the Rising Stars list go through the Super Lawyers selection process and are chosen based on peer nominations, evaluations by the Super Lawyers research department, and peer evaluations by practice area. Our associates' inclusion on this list signifies that they are among the top 2.5 percent of attorneys under the age of 40 or who have been in practice in Texas for 10 years or less.
