RE: *Intercontinental Terminals Company Litigation – Update*

Dear Clients,

I hope this letter finds you and your family well. I send to you New Year wishes and look forward to a prosperous and healthy year. We are writing to update you on the status of the ongoing Intercontinental Terminals Company Litigation as of February 9, 2021.

The ITC status hearing on January 28, 2021 was productive and proceeded positively. Toward the end of December of 2020, an additional Defendant was identified by ITC's Root Cause Analysis report and will be included in the ITC lawsuit in the coming month. Therefore, the litigation process may encounter a slight delay as the new party is properly served. Additional details regarding the new Defendant will be provided in the following ITC update letter.

We appreciate everyone's cooperation and patience in the coming months as we work to expedite the process. As always, if your address, phone number, or e-mail address change, please provide us with your updated contact information so that we can keep you informed about your case.

Please do not hesitate to call me or my legal assistants, Tina Gonzales or Edith Juarez, with any questions or concerns you may have. You also can e-mail our firm at itclawsuit@awtqlaw.com.

Sincerely,

Benny Agosto, Jr.
