TWO FIRM PARTNERS NAMED TO TOP 100 LAWYERS IN TEXAS BY SUPER LAWYERS

Abraham Watkins is proud to announce the selection of firm attorneys Nick Nichols, Randy Sorrels, Benny Agosto, Jr., Mo Aziz, Brant Stogner, and Jay Jackson to the Texas Super Lawyers list for 2017. Less than five percent of practicing attorneys in Texas are named to the Super Lawyers list each year. This year marks the 15th consecutive year for Firm Partners Nick Nichols and Randy Sorrels to be named to the Texas Super Lawyers list. Firm Partner Benny Agosto, Jr. has been recognized annually on the list since 2006, Firm Partners Mo Aziz and Brant Stogner since 2013, and firm attorney Jay Jackson since 2012.

In addition to the Texas Super Lawyers list, Firm Partners Randy Sorrels and Mo Aziz have

been named to the Top 100: Texas Super Lawyers list and the Top 100: Houston Super Lawyers list for 2017. Fewer than .002 percent of attorneys practicing in Texas are selected to the Top 100 Texas Super Lawyers list, and Mr. Sorrels and Mr. Aziz are the only two partners from the same Houston personal injury law firm named to this list. Recognition as one of the Top 100 lawyers in Houston and the entire state of Texas is both impressive and competitive as both Top lists reflect the very top and most established attorneys in these communities. Ms. Gasper sustained life-threatening injuries during the massacre and has filed a lawsuit that includes negligence claims against MGM Resorts International, Mandalay Corp., and Live Nation Entertainment. The lawsuit also includes intentional tort claims against the Estate of Stephen Paddock, and products liability claims against Slide Fire Solutions, LP, the manufacturer of the bump stock device that Paddock used to rapidly fire his weapons. BUILDING UPDATE SINCE HARVEY

As many of you know, Hurricane Harvey marked the third

flood in as many years for our firm's historic home on Commerce Street. After the first two floods we were able to quickly bounce back with remodeled office and conference space on our first floor, but this time Harvey left us with 12 feet of water. We are taking this opportunity to make some significant updates, namely by converting first floor office space into parking and building more offices and conference rooms on the third floor. We look forward to showing you our new and improved offices once the project is complete.

Houston is a strong and resilient city and our entire community is sure to bounce back even stronger.
